Yucatan Outreach

The Chapel partners with **Mission House Partners International** in the Yucatan Peninsula, Mexico, to spread the Gospel of Christ and help build the Kingdom of God. Our vision is to plant 14 or more churches among the Mayan people in rural villages in the middle of the peninsula. The Village of Ichmul is our training and launching place to go out to other villages with anywhere between 300 to 400 and 6,000 people. Here, the people have a syncretic religion that combines Catholicism and animism - a traditional Mayan belief that natural objects, natural phenomena, and even the universe itself possess souls. Our mission is to lead people to **BELIEVE** in Jesus, **BELONG** to a family (the church), **BECOME** a disciple of Christ, and **BUILD** the Kingdom of God.

Our church-planting strategy starts with finding a family or 'man of peace' who can open the door for simple evangelistic outreaches in the community. As the people develop a desire to seek Jesus, we help them to purchase land and build a small hut (palapa in Spanish) where they can meet for Bible Fellowships and work toward the beginning of a church. We also find tangible ways to help each community - by digging a well, building an activity center or meeting another need. As each community grows and holds consistent gatherings, we help them to build a stronger structure for a church.

Yucatan village pastors lead church services, visit homes on multiple days each week and plan other special outreaches. Please pray that God would raise up more pastors and lead the church in the Yucatan. Also pray that God would strengthen these leaders to minister to the needs of their communities and to proclaim the truth of the Gospel of Christ, boldly and clearly.
